

How to dress for a job interview?

The first impression you make on a potential employer in an interview is very important. Among other things, [it is very important that how you look and present yourself.](#)

It is therefore important for a candidate to dress professionally for a job interview, even if the work required as a result of an informal structure.

What is the appropriate dress code for an interview?

For **men** traditional **clothing navy blue, gray or black is ideal**. Make sure to combine a jacket with **pants** that fit. You can wear a long-sleeved shirt (**color**, preferably white or light blue). The belt should match your shoes. A link that corresponds to the color (avoid commitments fantasy character or those with shrill fingerprints above), black socks and shoes shiny leather preservatives complete the outfit. Men should not *wear* any type of *jewelry*, or restrict a wedding *ring* and *clock*. Be in good hands. Make sure that your **nails** are cut and **hair** combed. Wearing a **perfume** or aftershave but not create overwhelming aroma. It is good to take with you a leather bag, which comfortably accommodates all requested documents accessories.

Despite a variety of clothing, **women** will also need the **traditional look**. One is good, gray or dark blue decorated in shades of black dress that looks smart and professional can be worn. Alternatively, a **skirt** dress with the same colors to be worn with low / **leggings**. Use low standards / leggings. The T- shirt worn must be well coordinated with the dress. Closed toe **shoes** medium heels are preferred. Microfiber and synthetic materials are suitable for all seasons. Avoid mixtures of viscose. Accessorize to the appearance of a good clock, a light chain around the neck, shawl etc. wear **makeup** to enhance a natural look. Make sure that you are in good hands. **Nails** should be clean and **hair** should be perfectly furnished and tied in a bun. A delicate fragrance is recommended

Make sure that you turn the phone to silent in the interview room. **Chew gum** during the interview is not good. Maintain a good posture that reflects your confidence.
